In the following paragraphs the words "The Company" if included, where the context so requires, means "Thames Water Utilities Ltd".

Ref: X9202269

If it is the intention of the applicant to connect surface water or foul sewerage to any public sewer, the applicant should, prior to any connection being made, apply direct to The Company's Operations Manager, Mr. G. Halls, (Tel: 081 748 1888) for approval, with details of the connection.

Discharge of surface water to the foul water sewer will NOT be permitted.

Discharge of groundwater to the public sewer system will NOT be permitted.

The Company must be consulted if the proposed buildings are within 3 metres of the public sewer which crosses the site.

Access to the Company's manholes within the site boundary should be maintained at all times.
