Statement of Applicant's Rights Arising from the Grant of Permission subject to Conditions

1. If the applicant is aggrieved by the decision of the local planning authority to grant permission or approval subject to conditions, he may appeal to (and on a form obtainable from) the Secretary of State for the Environment, Tollgate House, Houlton Street, Bristol, BS2 9DJ, in accordance with Section 36 of the Town and Country Planning Act 1971 within six months of receipt of this notice. The Secretary of State has power to allow a longer period for the giving of a notice of appeal, but he will not normally be prepared to exercise this power unless there are special circumstances which excuse the delay in giving notice of appeal. The Secretary of State is not required to entertain an appeal if it appears to him that permission for the proposed development could not have been so granted otherwise than subject to the conditions imposed by the local planning authority having regard to the statutory requirements, to the provisions of the development order, and to any directions given under the order. (The statutory requirements include Sections 70 and 77 of the Act.)
2. If permission to develop land is granted subject to conditions, whether by the local planning authority or by the Secretary of State, and the owner of the land claims that the land has become incapable of reasonably beneficial use in its existing state and cannot be rendered capable of reasonably beneficial use by the carrying out of any development which has been or would be permitted, he may serve on the Council a purchase notice requiring the Council to purchase his interests in the land in accordance with the provisions of Part IX of the Town and Country Planning Act 1971.
3. In certain circumstances, a claim may be made against the local planning authority for compensation, where permission is granted subject to conditions by the Secretary of State on appeal or on a reference of the application to him. The circumstances in which such compensation is payable are set out in Section 169 of the Act.

General Information

This permission is given subject to the time limit conditions imposed by the Town and Country Planning Act 1971, and general statutory provisions in force in the area and nothing herein shall be regarded as dispensing with such compliance or be deemed to be a consent by the Council thereunder.

Your particular attention is drawn to the provisions of the London Building Acts 1930-39, and the by-laws in force thereunder which must be complied with to the satisfaction of the District Surveyor, whose address may be obtained from this office.

I would also remind you that the Council's permission does not modify or affect any personal or restrictive covenants, easements, etc., applying to or affecting either this land or any other land or the rights of any persons (including the London Borough of Camden) entitled to the benefit thereof or holding an interest in the property concerned in this development or in any adjoining property. In this connection applicants are advised to consult the Director of Works, Old Town Hall, Haverstock Hill, NW3 4QP, regarding any works proposed to, above or under any carriageway, footway or forecourt.

It is also necessary to obtain Listed Building Consent before any works of demolition, extension or alteration (internal or external) are undertaken to a building included in the Statutory List of Buildings of Architectural or Historic Interest: or before any works of demolition are undertaken to a building within a designated Conservation Area.

A planning permission does not constitute a Listed Building Consent.
