Dear Sir,

11A GREENCROFT GARDENS, NW6

I refer to my letter of 17th September 1986 in connection with your planning application for the erection of a single storey rear extension to the above premises.

I have not received any response to this letter and, unless I hear from you within 14 days of the date of this letter I shall assume that you no longer wish to proceed with this proposal and shall therefore treat your planning application as having been withdrawn.

Yours faithfully,

S. Waddell
