Dear Dave McDonald,

Re: Castlehaven Community Centre, ^{Harley Rd} NW1

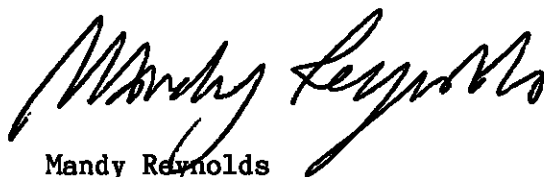

Please find enclosed two samples of Korrugalas specified for the above project.

In accordance with your partial planning approval of 4th Sept, we are submitting samples for approval of the roof colour. Though we understand that the Planning Committee would like to see a more 'traditional colour', we re-submit the blue sample because after further consultation with the Castlehaven Community Association they still maintain a preference for this colour (blue, 'metallack1140'). It is the community's choice and they would like this presented to the Planning Committee.

However, they are also concerned that the project may be held up if approvals are not forthcoming, and have reluctantly agreed to a second choice (green, 'metallack 1120' as enclosed) if the Committee are resolved. We would appreciate your efforts to present the case for the Castlehaven Community Association's choice of roof colour.

Please contact the writer if you have any further queries.

Yours Sincerely,

Mandy Reynolds
