STATEMENT OF APPLICANTS RIGHTS ARISING FROM REFUSAL OF PLANNING PERMISSION OR GRANT OF PERMISSION SUBJECT TO CONDITIONS.**Appeals to the Secretary of State.**

If you are aggrieved by the decision of your local planning authority to refuse permission for the proposed development or to grant it subject to conditions, then you may appeal to the Secretary of State for the Environment under Section 78 of the Town and Country Planning Act 1990. If you want to appeal then you must do so within six months of the date of this notice, using a form which you can get from the Department of the Environment at Tollgate House, Houlton Street, Bristol BS2 9DJ. The Secretary of State can allow a longer period for giving notice of an appeal, but he will not normally be prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal.

The Secretary of State need not consider an appeal if it seems to him that the local planning authority could not have given planning permission for the proposed development or could not have granted it without the conditions it imposed, having regard to the statutory requirements, to the provisions of the development order and to any directions given under the order. In practice, the Secretary of State does not refuse to consider appeals solely because the local planning authority based its decision on a direction given by him.

Purchase Notices.

If either the local planning authority or the Secretary of State for the Environment refuses permission to develop land or grants it subject to conditions, the owner may claim that he can neither put the land to a reasonably beneficial use in its existing state nor can he render the land capable of a reasonably beneficial use by the carrying out of any development which has been or would be permitted. In these circumstances, the owner may serve a purchase notice on the Council in whose area the land is situated. This notice will require the Council to purchase his interest in the land in accordance with the provisions of Part VI of the Town and Country Planning Act 1990.

Compensation.

In certain circumstances compensation may be claimed from the local planning authority if permission is refused or granted subject to conditions by the Secretary of State on appeal or on reference of the application to him. These circumstances are set out in Section 108 and related provisions of the Town and Country Planning Act 1990.

Further Information

This permission is given subject to the time limit conditions imposed by the Town and Country Planning Act 1990 and general statutory provisions in force in the area and nothing herein shall be regarded as dispensing with such compliance or be deemed to be a consent by the Council thereunder.

Your attention is drawn to the London Building Acts 1930-39 (as amended), the London Building Act 1984 and the Building Regulations made thereunder which must be complied with to the satisfaction of the Council's District Surveyor, Engineering Services - Building Control, 3rd Floor, Town Hall Extension, Argyle Street Entrance, Euston Road, WC1H 8EQ, (tel: 071-413 6941).
