Dear Sir,

Re: Town and Country Planning Act, 1971
~~166a-168a, Camden Street, NW1.~~

I refer to your letter of 16th November 1990 regarding alterations at the above address.

This is to confirm that the proposal to alter a ground floor window for a glazed door as a means of escape does not require planning permission and therefore conservation area consent will not be required for alterations, only if demolition is to be carried out.

Yours faithfully

H G Miller
for Head of Planning and Transport Services.
