Dear Sir,

The London Building Act, 1930. 35 Greville Road,
Hampstead.

Ref. E. (B.1072) Case No. 19613. T.P.B.R.Reg.No.B.

I beg to acknowledge receipt of your letter of the 28th January, and one from the Clerk of the Council dated 21st January, in reference to this matter.

My client has been considering what is best for him to do in view of the Council's objection to the suggested projection of the garage as shewn upon the plans sent with my application of the 9th December, and following his visit with me to the Council's offices on Monday last has decided to revise the plans in accordance with the suggestion contained in your letter of the 21st ultimo to shew 4'0" projection only for the Garage.

I, therefore, have pleasure in sending herewith three copies of the plans as revised for the Consent of your Council which I should be glad to receive as soon as possible.

Yours faithfully,

F. Hägell
