For the Attention of Ms E Drew

Dear Sirs

8903361 R1

FITZROY YARD, NW1

Please find enclosed 4 copies of revised drawing nos. 200/101-3 relating to our planning application and we would request that these be treated as an amendment to this application.

You will see that we have made the following alterations:

1. The outer walls of the proposed first floor link are now shown as solid timber, with no windows. This will ensure that overlooking between our property and neighbouring houses is less than as existing.
2. We have introduced an open courtyard at the ground floor, to allow circulation but limit the increase in space. (Now 6.5 m² less than stated in the application forms).

These changes follow discussions with Mr Sidell and most of the residents who have written to you, and we believe that the proposals now meet all the objections that have been raised.

Yours faithfully

PP P. A. Gibson
