For the attention of Mr V Pearce

Dear Sirs

## Mount Pleasant Hotel

Following our last 2 meetings on 7th and 18th October, we attach a set of amended drawings to show the reduced areas marked in red as discussed with you.

The elevation drawing has been amended to show the reduced heights where bedrooms have been omitted.

I understand that you will now be in a position to recommend approval to the committee for the next meeting on the 10th November following these substantial changes which I believe have now met all the requirements as discussed since this application was first submitted in March.

Yours faithfully

Raymond Conte
