	Agricultural Holdings Certificate
*strike out whichever is	None of the land to which the application relates is, or is part of, an agricultural holding.
inapplicable	Signed
	ECP 369

NOTES:

- 1. If you are NOT the only owner of all the land to which the application relates, you should take one of the following three courses:
 - (a) If you know the names and addresses of all the owners of the land to which the application relates, you should give them notice in the form shown in the Notice below and complete certificate B overleaf.
- (b) If you know the names and addresses of some of the owners of the land to which the application relates, but not all of them, you should give notice in the form shown in the Notice below to those whose names and addresses you know, and also give notice of the application in a local newspaper, in the form shown in the Notice below. The newspaper notice should be published not earlier than twenty one days before the date of the application. You should then complete certificate C overleaf.
 - (c) If you do not know the names and addresses of any of the owners of the land to which the application relates, you should give notice of the application in a local newspaper, in the form shown in the Notice below. This notice should be published not earlier than twenty-one days before the date of the application. You should then complete certificate D overleaf.

2. Any person who knowingly or recklessly issues a certificate which contains any statement which is false or misleading in a material particular is liable on conviction to a fine not exceeding £400.
