**Levelling Information**  
 Altitudes of Bench Marks and Surface Levels are given in feet above the Newlyn Datum.  
 Bench Mark lists, containing fuller and possibly later levelling information, are obtainable from the Director General, Ordnance Survey.

For fuller information see the National Grid

The lines on the plan form part of the National Grid. To give a large scale reference defining the Easting and Northing of any point on the plan, take the west edge of the square in which the point lies and read the figures opposite this line.

**EASTING**
