Attention: M Jordan Esq

Dear Mr Jordan

10 Bedford Square

We refer to the outline planning permission and listed building consent granted on the above building on 17 November 1982.

~~The building has now been bought by DL Taffner/UK Limited as their English headquarters and the attached drawings are submitted under the schedule of items to be approved in detail.~~

Included in our submission is a Structural Engineer's report and details showing strengthening proposals to the ground floor and part of the third floor.

Our client wishes to commence work on site in the middle of February next year and we would appreciate your approval prior to that date.

A schedule of drawings for approval is attached.

Yours sincerely

I McINNES
