## **A GUIDE TO APPLICANTS FOR LISTED BUILDING CONSENT**

Listed Building Consent is normally required for any works which involve partial or complete demolition, extension or alteration (either internal or external) of a listed building or any structures which fall within its curtilage if these structures were erected before 1 July 1948. If you require advice on whether your building is listed or whether the works you are proposing require Listed Building consent, you are advised to contact Planning Transport and Employment Services at the address below.

Listed Building Consent is additional to and does not remove the need to obtain planning permission or Conservation Area Consent when necessary (see Q5). It is necessary for the Council to consult with and gain direction from the Historic Buildings and Monuments Commission before consent can be granted.

### **1. Name and Address of Applicant/Agent**

If the form is completed by an agent all correspondence from the Council will be sent to him or her. Please give a contact name or reference.

### **2. Address of Application Site**

The application should be accompanied by a plan or sketch to a scale of 1:1250 showing the site to which it refers and its boundary and relationship to adjoining property. The application site should be edged in red and any adjoining land owned by the applicant edged in blue.

### **3. Description of Proposed Works**

Please tick the appropriate boxes and provide a summary of the works proposed to the listed building(s) including any demolition or alterations internally or externally. Also specify any structure within the curtilage to be removed or altered.

### **4. Alterations or Extensions**

Please specify the type, colour, style of materials and applied finishes to be used both internally and externally. Also specify any structures within the curtilage to be removed or altered.

### **5. Submission of an Application for Planning Permission and Advertisement Consent**

Works which need planning permission will require the submission of a separate application. Likewise, if your proposal includes partial or complete demolition of an unlisted building or structure in a conservation area, Conservation Area Consent may be required. Advertisement Consent will probably be necessary if your proposal involves the installation of an illuminated sign and may also be necessary for other types of advertisements. All these applications should be made at the same time. The relevant forms can be obtained from Planning, Transport and Employment Service at the address given at the end of this application form.

### **6. Plans and Drawings**

Four copies of drawings to a scale of 1:100 or 1:50 are required showing existing and proposed floor plans, elevations and sections unless the application is accompanied by a planning application showing the same development, in which case only one additional set of drawings is required (ie. 6 in all). All plans and drawings submitted for approval should be identified by a distinctive reference number. Plans should also show a north point, the metric scale and indicate whether enlarged from an ordnance survey map or drawn from survey. Materials and finishes should be indicated on drawings and the extent of proposed works clearly shown and fully annotated. If consent for partial demolition is required, the parts of the building(s) affected should be clearly marked in red on existing floor plans, sections and elevations. Photographs showing relevant areas of the building may assist in securing a speedier decision.

If you wish to enclose any additional information please do so in the form of a covering letter.

**Your application will not be progressed if insufficient information is received by the Council.**

## PART II – Site Ownership

When making an application for Listed Building Consent, it is important that you provide information about the ownership of the application site by filling in an appropriate Section II Certificate.

There is a penalty for knowingly or recklessly completing a false or misleading certificate.

**Note:** An OWNER is the freeholder of the site and anyone who has a leasehold interest with at least 7 years unexpired.

Use Certificate A if you are the sole owner of all the land and buildings to which this application relates. If you are not the only owner of all the application site then any other person who qualifies as an owner must be informed of the terms of your application. If you can identify all other owners you must serve a notice on them using the wording shown in Notice 1. Once you have done this, complete certificate B and submit it to the Council with your application. Certificates C and D and Notice 2 are available from the Council at the address given at the bottom of the application form. Use certificate C if you do not know the names of ALL the owners of the application site, and certificate D if you do not know any of the owners of the site. In these cases you will need to post a notice on the site and put a notice in a local newspaper using the wording of Notice 2 as well as notify all known owners using the wording of Notice 1.

## Check List

Please use this list to check that your application for Listed Building consent has been completed correctly.

☐

Have you provided 5 copies of plans (or 6 in total if submitted with a planning application) for each separate application showing clearly and accurately, to a metric scale, the existing site or building (including uses) and what changes you intend to make?

☐

Have you provided 4 copies of a location plan, drawn to scale with the site outlined in red and any land in the same ownership outlined in blue?

☐

Have you provided enough information including good quality photographs of the site (marked as necessary) so that your proposals can be fully understood?

☐

Have you signed, dated and fully completed 4 copies of the application form for each separate application?

☐

Have you given full information on who owns the land involved? Have the correct notices been served on the owners (if there are other owners apart from the applicant)? (See Part II)
