To whom it may concern:

By way of this letter we can confirm that we have seen the proposals for new hardwood sash windows to the rear extension of Flat 6, 161 Gloucester Avenue, submitted by Summer Hurwitz. We approve the new size, position, and design of the windows (as shown in drawings 5000 – 5003) and agree for the works to be carried out as in the planning submission if planning permission is granted.
