Your Ref:

Our Ref: 343.

Dear Sirs,

RE: 4 Heath Hurst Road London NW3 Proposed rear extension and minor alterations

We enclose four copies of our drawings and photos numbered 343/ 01-16 showing the existing and proposed plans and elevations photos and sections for the above. We further enclose a fee of £ 135.00 together with a design and access statement and three copies of the location plan and TP1 forms and additional photographs for discussion .

We have taken on board your initial comments with regard to the formation of an additional floor and your design teams comments that they would not consider an application for a roof extension favourably nor consider a different roof configuration to accommodate a more useful roof space and thus a more useable second floor of maybe one and a half stories. To this end we have set out our submission in the Design and Access statement enclosed.

We now submit a formal application enclosing photographic montage and drawings setting out our proposals in anticipation of your recognising the case for the additional floor.

If you have any queries or require further information or wish to discuss variations to the enclosed scheme please contact the writer.

Yours truly,

NICHOLAS NORDEN
