Dear Deirdre,

**Application ref: 2005/3864/P.**

**Information in support of the discharge of planning condition 13.**

**72 Euston Square, 1-11 Grafton Place and 2-6 Eversholt Street, London NW1**

In order to facilitate the discharge of planning condition 13, please find enclosed 4 copies of "Travelodge Euston response on Part L2A calculations". Under condition 13 details and sound attenuation of any extract ventilating system and air condition plant shall be submitted to and approved by the council. The enclosed document contains details of all major plant for the development, including Ventilation/Extract fans and Air handling units.

If there are any queries, please do not hesitate to contact us.

Yours Sincerely,

Stuart Cross
