Dear Sirs,

Planning Application - 6 Redington Road,

Following the visit of Mr. David Bloom and his letter of 27th September, I enclose a planning application in relation to the retention of ^{'NO PARKING'} signs at No. 6 Redington Road. No. 6 is owned by three proprietors - myself (Flat 3), Mr. Haralamours (Flat 2) and Mr. Alideniz (Flat 4). The other proprietors have consented to this application.

I enclose a cheque for £75, together with the application form (plus four copies) and five sets of the hand-drawn plan showing No. 6 Redington Road, adjoining property and the location of the signs. I also enclose five sets of two photographs, one showing the location of the signs from inside the site, the other taken from the footpath, from which they are barely visible.

I hope that this is sufficient for your purposes.

Yours faithfully,

Peter A Rici
