Dear Sirs

I hereby enclose the correct planning fee of £135 (not £265 as miscalculated by the planning portal), together with advertisement consent fee for £75. These fees were not included in our online application and I understand you need these to register the applications.

I am also enclosing signage details which I understand are required for advertising consent to be granted.

Please note that the ATM machine is being replaced, and lowered as per the drawings submitted. This will be a new machine in the existing location but lowered for DDA compliance, not the existing machine being lowered as stated in the online application.

Yours faithfully

A handwritten signature in black ink, appearing to read 'Leah Purvis'.
