

Note: The Contractor is to check and verify all building and site dimensions, levels and sewer invert levels at connection points before work starts. The drawing must be read with and checked against any structural engineers and other specialist drawings provided.

The Contractor is to comply in all respects with the current building regulations whether or not specifically stated on these drawings.

This drawing is not intended to show details of foundations or ground conditions. Each area of ground relied upon to support the structure depicted must be investigated by the contractor and suitable methods of foundation must be provided.

This drawing is to be read in conjunction with any relevant standard details or specifications supplied by the client.

Do Not Scale: Dimensions onsite and all equipment to be verified prior to work commencing. This drawing is the property of Jayne Nelson Interiors and copyright is reserved by them; the drawing is issued on condition that it is not copied or disclosed by or lent to any unauthorized persons without prior consent in writing by Jayne Nelson Interiors.
