

NOTICE OF RECEIPT
HOW DOES IT WORK?

The purpose of this notice is to inform you of the rights and responsibilities of the parties involved in the receipt of goods.

When you receive goods, you should check them against the invoice and the packing slip. If there is any discrepancy, you should report it to the sender immediately.

If you receive damaged goods, you should report the damage to the sender as soon as possible. You should also take steps to protect the goods from further damage.

If you receive goods that do not match the invoice, you should report this to the sender as soon as possible. You should also take steps to protect the goods from further damage.

If you receive goods that are not yours, you should report this to the sender as soon as possible. You should also take steps to protect the goods from further damage.

If you receive goods that are not yours, you should report this to the sender as soon as possible. You should also take steps to protect the goods from further damage.
