30th November 2007

Your Ref: 2007/4560/P

Our Ref: 343.

Dear Mr Minty,

RE: 4 Heath Hurst Road London NW3 Proposed rear extension and minor alterations

Following our brief conversation on site on the 13th November, subsequent discussions and our withdrawal of the application for the formation of a full width rear extension and basement. We enclose three copies of our drawings numbered 343/ 01-12 showing the existing and proposed plans and elevations for the above. We further enclose a fee of £ 135.00 together with a design and access statement and three copies of the location plan and TP1 forms and photographs.

It is entirely possible that you will treat this application as a substitution of an existing application that has been withdrawn. In the event please refund the £135.00. If it is decided to treat this application as an entirely new application the fee would obviously stand.

We have taken on board your initial comments with regard to the formation of an additional floor and your design teams comment that they would be prepared to consider a different roof configuration to accommodate a more useful roof space and thus a more useable second floor of maybe one and a half stories. To this end we will be submitting a separate application for your comments in the near future. In the meantime if you have any queries or require further information please contact the writer.

Yours truly,

NICHOLAS NORDEN
