The Council has considered your application and decided to grant permission subject to the
following condition(s):

Condition(s) and Reason(s):

- 1 The development hereby permitted must be begun not later than the end of three years from the date of this permission.

Reason: In order to comply with the provisions of Section 91 of the Town and Country Planning Act 1990 (as amended).

- 2 No development shall take place until full details of hard and soft landscaping and means of enclosure of all un-built, open areas have been submitted to and approved by the Council. Such details shall include details of any proposed earthworks including grading, mounding and other changes in ground levels.

Reason: To enable the Council to ensure a reasonable standard of visual amenity in the scheme in accordance with the requirements of policies B1 and N8 of the London Borough of Camden Replacement Unitary Development Plan 2006.

- 3 All hard and soft landscaping works shall be carried out to a reasonable standard in accordance with the approved landscape details prior to the occupation of the development. Any trees or areas of planting which, within a period of 5 years from the completion of the development, die, are removed or become seriously damaged or diseased, shall be replaced as soon as is reasonably possible and, in any case, by not later than the end of the following planting season, with others of similar size and species, unless the Council gives written consent to any variation.

Reason: To ensure that the landscaping is carried out within a reasonable period and to maintain a satisfactory standard of visual amenity in the scheme in accordance with the requirements of policies B1 and N8 of the London Borough of Camden Replacement Unitary Development Plan 2006.

- 4 Details of the design of building foundations and the layout, with dimensions and levels, of service trenches and other excavations on site in so far as these items may affect trees on or adjoining the site, shall be submitted to and approved by the Council as the local planning authority before any works on site are commenced.

Reason: To ensure that the Council may be satisfied that the development will not have an adverse effect on existing trees and in order to maintain the character and amenities of the area in accordance with the requirements of policies N8 of the London Borough of Camden Replacement Unitary Development Plan 2006.

- 5 No external plant or equipment shall be erected on the site.

Reason: To safeguard the amenities of the neighbouring premises and the area generally in accordance with the requirements of policy SD6 of the London Borough of Camden Replacement Unitary Development Plan 2006.

- 6 Before the development commences, details of the method of waste storage and removal including recycled materials shall be submitted to and approved by the Council and the approved method shall be permanently maintained and retained thereafter.

Reason: To safeguard the amenities of the neighbouring premises and the area generally in accordance with the requirements of policy SD6 of the London Borough of Camden Replacement Unitary Development Plan 2006.

- 7 The cycle parking area as shown on the approved plans shall be completed before the development is first occupied and shall provide parking for 7 cycles, and thereafter be kept free from obstruction and available for the parking of cycles only.

Reason: To ensure the development provides adequate cycle parking facilities in accordance with the requirements of policy T3 of the London Borough of Camden Replacement Unitary Development Plan 2006.

- 8 The details of the materials [lwindows, glazing, doors, facing materials and boundary treatments] to be used on the development shall be submitted to and approved by the Council before any work is commenced on the relevant part of the development. These parts of the development shall not be carried out otherwise than in accordance with the details thus approved.

Reason: To safeguard the appearance of the premises and the character of the immediate area in accordance with the requirements of policies S1/ S2, B1 and B7 of the London Borough of Camden Replacement Unitary Development Plan 2006.

Informative(s):

- 1 Your proposals may be subject to control under the Building Regulations and/or the London Buildings Acts which cover aspects including fire and emergency escape, access and facilities for people with disabilities and sound insulation between dwellings. You are advised to consult the Council's Building Control Service, Camden Town Hall, Argyle Street WC1H 8EQ, (tel: 020-7974 6941).
- 2 Noise from demolition and construction works is subject to control under the Control of Pollution Act 1974. You must carry out any building works that can be heard at the boundary of the site only between 08.00 and 18.00 hours Monday to Friday and 08.00 to 13.00 on Saturday and not at all on Sundays and Public Holidays. You are advised to consult the Council's Environmental Health Service, Camden Town Hall, Argyle Street, WC1H 8EQ (Tel. No. 020 7974 2090 or by email env.health@camden.gov.uk or on the website www.camden.gov.uk/pollution) or seek prior approval under Section 61 of the Act if you anticipate any difficulty in carrying out construction other than within the hours stated above.
- 3 If a revision to the postal address becomes necessary as a result of this development, application under Part 2 of the London Building Acts (Amendment) Act 1939 should be made to the Council's Records and Information Team, Culture and Environment Directorate, Environment Department (Street Naming & Numbering) Camden Town Hall, Argyle Street, WC1H 8EQ (tel: 020-7974 5613).
- 4 The correct street number or number and name must be displayed permanently on

the premises in accordance with regulations made under Section 12 of the London Building (Amendments) Act 1939.

- 5 Your attention is drawn to the fact that there is a separate legal agreement with the Council which relates to the development for which this permission is granted.
- 6 Please note that any approval given by the Council does not give an exemption from the requirements to comply with the Wildlife and Countryside Act 1981 (as amended), or any other Acts offering protection to wildlife. Of particular note is the protection offered to bats, birds and their nests, whilst being built or in use. For further information contact Natural England on 020 7932 5896.
- 7 Please note that Council will encourage the use of native species within the replanning scheme required in condition 2 of this planning permission.
- 8 Reasons for granting permission.

The proposed development is in general accordance with the policy requirements of the London Borough of Camden Replacement Unitary Development Plan 2006, with particular regard to policies S1, S2, SD1, SD2, SD4, SD6, SD9, B1, B7, N5, N7, H1, H7, H8, T1, T3, T4, T8 and T12. For a more detailed understanding of the reasons for the granting of this planning permission, please refer to the officers report.

- 9 Should any habitats be discovered on site the developer has a responsibility to contact English Nature on 01206 796666.
