Dear Sir / Madam

TATE HINDLE
ARCHITECTURE + DESIGN

Subject: Dormer Extension
Address: 1 St Katharine's Precinct, Regents Park, London NW1 4HH

Please find enclosed full planning and listed building applications including the fees and drawings for the above.

The enclosed applications are minor alterations to a previously made decision. The intention is to make the room at the 3rd floor more habitable by providing adequate headroom space. Hence it is essential to extend the dormer. The affected areas are; the 3rd floor, roof plan, and the front elevation only.

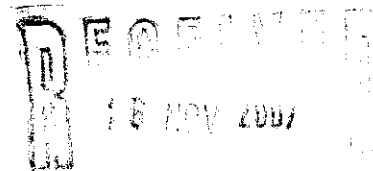

A full planning permission was granted in January 2007; reference is **2006/4812/P**, and accordingly; the relevant statements / reports were submitted (i.e. Design & Access Statement, Structural Engineer's Report, Photo Sheets, Historical Appraisal).

Therefore, we are not submitting at this stage any reports or any other supplementary information due to the scale and nature of the sought minor alteration. However, the fully annotated drawings clearly indicate the extent of proposed extension.

Should you require further information, please don't hesitate to contact me.

Yours sincerely

Ashraf Ismail
