BY EMAIL ONLY.

Dear Sirs,

**319 West End Lane NW6 1RN**

I refer to your letter by email dated 10<sup>th</sup> November '07 confirming our application is invalid.

Your request is I have to say irritating as we had (and I referred to it in the last para' of the submission letter) spoken with the planning help desk before submission of the application and been informed that due to its simplicity we would not need to submit existing plans, sections and elevation drawings.

However I now attach pdf's of the following additional and revised drawings :

1. 023.EX01, EX02 and EX03 the existing plan, section and elevation. Print at A3 for 1:50 reproduction
2. 023.SK1. Handrail details. Print at A4 for 1:10 reproduction.
3. 023.01A and 03A. The proposed plan and section to which a section line and section AA notation has been added.

Please confirm receipt of the attached and validation of the application as soon as possible.

Thank you.

Yours faithfully

Rodger Davis
