Dear Sir,

Re: 297 Euston Road, NW1 3AQ
Application No: 2007/4973

Further to our application dated 2nd October 2007 and your responding letter dated 24th October 2007, we take pleasure in submitting the supplementary information as requested below.

We have enclosed an Ordnance survey based site location plan, scaled at 1:1250, with the site outlined in red.

The additional fee of £130.00 is also enclosed as requested. The Cheques has been provide by our clients Allgood plc and is made out in favour of The London Borough of Camden for the sum of £130.00. (Cheque No. 004803 dated 10.10.07))

We also enclose 3 copies of each of the two drawings to a scale of 1:50 together with our Access Statement and description of the works.

The above information has also been forwarded to you as an email attachment.

In order to avoid further delay I should be grateful if you would give this matter your urgent attention.

Yours faithfully

A handwritten signature in black ink, appearing to read "David Webster", enclosed within a circular stamp.

David Webster
Senior Mechanical Engineer

Dear Sir

**RE: Planning Application for
Roof Top Chiller Replacement and Tank removal at
297 Euston Road, London NW1 3AQ**

We are acting as agents on behalf of our client Mr Antony Carter-Clout of Allgood Holdings plc in this matter of obtaining planning consent.

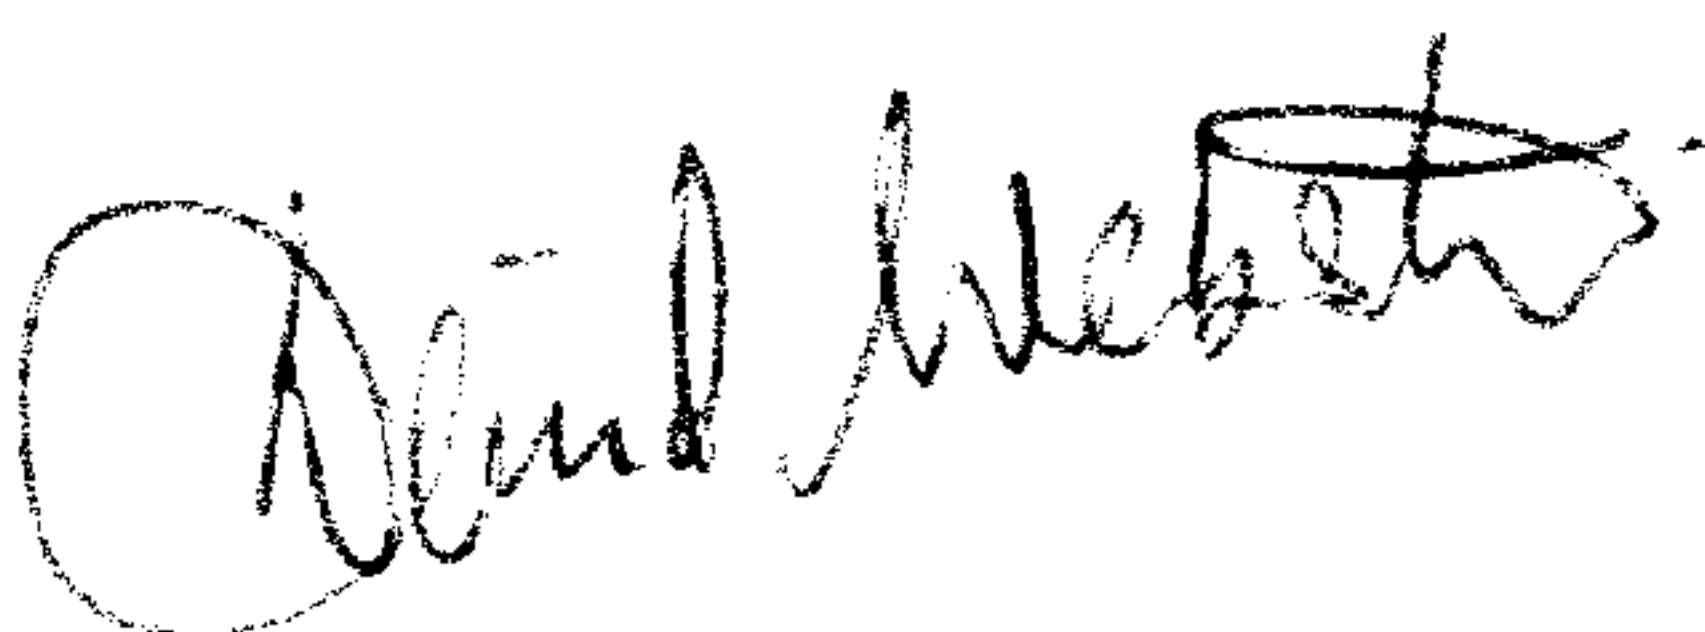

As such, please accept this, our application for full planning consent for the replacement of five in number existing chillers with three in number new chillers, having a total cooling duty equal to that of the existing chillers. In addition the application includes for the removal of an existing roof mounted cold water storage tank associated roof mounted pipework and weathering housing.

We enclose the prescribed application fee of £135.00 in the form of a cheque numbered 004135 made payable to Camden Council.

With regard to a background noise survey, we have made enquires as to the necessity of this with the Environmental Health Officer Mr John Anani and we are currently awaiting his reply. Should it be deemed necessary we will of course forward a survey and report as soon as possible.

We trust the above, enclosed drawings, photographs, location and site plans as required by The London Borough of Camden are acceptable and look forward to confirmation of receipt

Yours faithfully

David Webster
Senior Mechanical Engineer
