**For the attention of Charles Rose**

Dear Charles

**Re: Holy Trinity School, Trinity Walk, Maresfield Gardens, London NW3**

Further to our letter to you dated 10/807 and our meeting on site, we write to confirm the following as agreed on site:

Condition 2

*Windows and Doors*

Kawneer UK Ltd

Colour of windows – Synthapulvin ref: M4L 0196 7005 no 100  
(sample of colour attached)

We enclose a copy of our drg no 1182/60 showing the plan, section and elevation of a typical window and door at scale 1:20.

*Roof*

Quartz Finish zinc confirmed

Unfortunately, the Pigmento Red zinc roofing sample, which we both preferred, is part of the new range and is expected to be on the market in 4-6 months time. Should it be available in time, it would be our preferred option. Our second option would be the quartz finish zinc previously sent to you.

We would be grateful if you could deal with the matter as soon as possible and look forward to hearing from you. In the meantime, if you have any queries or if you require any further information, please do not hesitate to contact us.

Yours sincerely

**Diane Israel**
