17th August 2007

Dear Sir/Madam,

Proposed new single storey rear addition
13a Church Row, London NW3

I refer to the attached planning application for the proposed works at the above property.

This application is being made in order to provide essential bathroom facilities and sleeping accommodation for a recently wheelchair-bound resident at the property. The construction of the rear addition is urgent and I would therefore request that it be given your utmost priority.

Yours sincerely,

Peter Bird
