**RE: Measured Survey – 72/74 South Hill Park**

Dear Nicholas,

With regards to the measured surveys of 72/74 South Hill Park I can confirm the following.

The original survey drawings emailed to you on 06/04/2007 were in error. The parapet heights on the elevation drawings were drawn in 292mm lower than they actually were.

Please accept our apologies and we hope this has not caused too much inconvenience.

Yours Sincerely

**Stuart Edwards**
