The copyright in this drawing is vested in Mario Pilla Architects and no licence or assignment of any kind has been, or is, granted to any third party without the prior written consent of Mario Pilla Architects.

DO NOT SCALE FROM THIS DRAWING
The architect shall check and verify all dimensions on site and report any discrepancies in writing to Mario Pilla Architects before proceeding with work.

FOR ELECTRONIC DATA USE
Electronic data / drawings are issued as "read only" and should not be interpreted for reproduction. All dimensions and levels should be used, only from those values stated in the drawing.

AREA MEASUREMENT
The areas are approximate and can only be verified by a detailed dimensional survey of the site. Areas are given in square metres (m²) and should be used as a guide only. They should not be used for legal purposes. The areas are given in square metres (m²) and should be used as a guide only. They should not be used for legal purposes. The areas are given in square metres (m²) and should be used as a guide only. They should not be used for legal purposes.

The copyright in this drawing is vested in MPA Architects and no license or assignment of any kind has been, or is, granted to any third party without the prior written consent of MPA Architects.

DO NOT SCALE FROM THIS DRAWING
The contractor shall check and verify all dimensions on site and report any discrepancies in writing to MPA Architects before proceeding with work.

FOR ELECTRONIC DATA ISSUE
Electronic data / drawings are based on 'best view' and should not be interpreted for measurement. All dimensions and levels should be taken, only from those points shown in red, on the drawing.

AREA MEASUREMENT
The areas are approximate and can only be verified by a detailed dimensional survey of the proposed building. Any dimensions to be used on the basis of these calculations, whether as to project funding, planning, lease agreements or for any other purpose, are subject to the accuracy and disclosure of the data. The drawings and calculations are for information only and should not be used for any other purpose. Please refer to the MPA Architects website for more information on the MPA Architects website.
