Fitzjohns Avenue NW3

A striking two double bedroom two bathroom apartment set on the lower floor of this imposing gothic period residence designed circa 1880 and retaining quirky detailing. This extremely characterful flat of 1147 sq ft accessed via its own entrance boasts a wealth of features including wood block flooring, period features and bespoke kitchen. The 18'x18' reception has direct access to the front patio whilst there are gorgeous communal gardens to the rear. In addition the master bedroom has an en suite bathroom and dressing area. Ideally placed for easy access to the local shopping and transport facilities of Hampstead Village.
