Dear Ms Walker

Condition 3c

7 GREAT ORMOND STREET

2006/2641/L

Further to our recent discussion regarding the listed building consent and planning approval please find enclosed a revised set of drawings. The original scheme has not been altered and conforms with the conditions set out in the planning consent. Our new drawings, which will form part of our building regulations application, indicate positions of extracts and waste pipes at ground and first floor levels as well as details for kitchen fittings abutting existing panelling. We trust this information fulfils the requirements for the supplementary information which was a condition of the listed building consent and look forward to hearing from you.

Please let us know if there are any queries.

Kind Regards

Yours sincerely

Michael Shippobottom
