## A GUIDE TO APPLICANTS FOR APPROVAL OF DETAILS RESERVED BY CONDITION

Conditions requiring the submission of further details can be attached to outline and conditional planning permissions, listed building consents and conservation area consents. This application form can be used to apply for approval of any conditions or part of any condition relating to an individual permission or consent. If there are reserved conditions relating to more than one permission or consent, for example, a linked planning permission and listed building consent, two separate forms will need to be completed relating to the matters reserved by condition on each decision letter. If all reserved matters are submitted at the same time this may help make a decision more quickly. An application for approval of details reserved by outline planning permission can only be made if the outline permission is still valid and the submitted details are in accordance with the outline plans or conditions attached to the outline permission.

\*A fee is required for approval of matters reserved by outline planning permission. The correct fee must be submitted before your application will be dealt with. Please see the fees form for details.

### SEE APPLICANT'S GUIDE TO SUBMITTING A VALID APPLICATION.

#### 1. NAME AND ADDRESS OF APPLICANT / AGENT

If the form is completed by an agent, all correspondence from the Council will be sent to him or her. Please give a contact name if possible.

#### 2. ADDRESS OF APPLICATION SITE

Please use the same address as specified on the decision letter.

#### 3. TYPE OF DECISION

This application can only relate to one decision. If an approval of reserved matters is required in respect of more than one decision of the Council then a separate application for approval of details will need to be completed and submitted.

#### 4. DATE OF DECISION AND REGISTRATION NUMBER

In order to deal with your application quickly, it is essential that the correct date of the decision is given also with the correct reference number (marked on the decision letter). It would assist the Council if a copy of the relevant decision is attached to this application form.

#### 5. PARTICULARS OF CONDITION(S) TO WHICH THIS APPLICATION RELATES

It is essential that the number and description of the condition(s) to which this application relates are specified so that no confusion arises.

#### 6. PARTICULARS OF APPLICATION

All plans and drawings submitted for approval should be identified by a distinctive reference number and four copies enclosed with this form. Plans must also show a north point, the metric scale and indicate whether enlarged from an ordnance survey map or drawn from survey. For details of materials a single sample of each material is sufficient. You should clearly indicate which drawings or what materials relate to which specific conditions. If the details submitted only satisfy part of a condition, this should be clearly stated along with a description of the condition to which the application relates. It may be helpful to submit a copy of the relevant decision letter or any other information you may consider relevant in the form of a covering letter.

Please send 4 copies of your completed forms, plus four sets of drawings, and one set of samples, (but you may be asked for more sets.)

Send these and your fee (if applicable) to:
