

**201C, CAMDEN ROAD NW1**

## MEASURES FOR THE PROTECTION OF A PLANE TREE SUBJECT TO A TREE PRESERVATION ORDER

- Prior to the commencement of any construction work, protective heras fencing shall be erected around the plane tree in accordance with the recommendations given on BS 5837.
- No trenches or pipe runs for services and drains shall be sited within 4m of the tree trunk unless agreed in writing beforehand with the council.
- No burning shall take place in a position where the flames could extend to within 5m of foliage, branches or the trunk having regard to the size of fire and wind direction.
- There shall be no storage of soil or building materials within the protected area.
- There shall be lowering or raising of soil levels within the protected area.
- There shall be no mixing of cement or storage of chemicals within the protected area.
