## DESIGN & ACCESS STATEMENT

### 1.0 INTRODUCTION

1.1 The proposed works are all internal, with no impact on the exterior of the property.

### 2.0 DESIGN

2.1 The intended alterations are to previously modified areas.

2.2 The character and quality of the residence is not compromised by the proposed alterations.

### 3.0 Access

3.1 The alterations are to upper level accommodation: there being no change to existing general access and circulation arrangements.
