I refer to previous conversations with you and would inform you that I submitted revised planning and listed building consent applications last week. They were delivered by Royal Mail Special Delivery on 3<sup>rd</sup> April.

In conversations you indicated that directly you knew the applications had been submitted you would let your Legal Department know so that early consultation could take place regarding a Section 106 Agreement. In that respect I would refer you to the last paragraph of my covering letter dated 2<sup>nd</sup> April when I referred to conversations I had already had with Mr Bernard Ralph in your Legal Section and that the applicants had appointed Mr Tom Manderson of Devonshires as their solicitor.

Although Mr Manderson's address and details were set out in the Design and Access Statement I set them out below:-
