Dear Ms Walker,

**Print Room Café, South Wing – University College London**

We enclose two connected applications, for Planning and Listed Building Consent, by University College London Estates and Facilities Division for the proposed cafe on this site.

The first is an application for a new single storey café entrance box on the South Quadrangle. This is an extension to part of the basement of the South Wing Building and is located on the south elevation. A Full Planning Application Form is attached for this proposal.

The second deals with the proposed alterations and minor demolition works to an area of the existing South Wing basement, and for the insertion of the new single storey café entrance box mentioned above to the south elevation. For this part a Listed Building Consent Application is attached.

With regard to the drawings and supporting documents submitted for these applications, these are noted on the attached Drawings and Plans Schedule.

Please do not hesitate to contact us if you have any queries.

Yours sincerely

Joann Tang  
MacCormac Jamieson Prichard
