Your Ref: 2007/1980/INVALID//

Unit K1, Brunswick Centre, London WC1N 1AE

Dear Elaine,

Further to our telephone conversation and your letter dated 30th May 2007, please find the amended drawing 0712.201C to show the external and internal elevations and the subsequent sections through the elevation of the retail unit K1 at the Brunswick Centre.

Please note that I have added the protection screens that have been installed by the landlord for the protection to the automatic sliding glass door panels.

I would also like to confirm that the existing drawing of the elevation - drawing no. 0712.011A, that has already been submitted as part of the listed building application is correct, and we have not amended the elevation during our fit-out works. There are no handle to the sliding doors due to the fact that they are automatic and do not require any.

I am enclosing 3 no. copies of the relevant updated drawing as you have requested to accompany the existing application held in your files.

I hope this clarifies all your queries in regards to the application, but please do not hesitate to contact me if there is any further information required.

Yours faithfully,

Michael Deeley.
