18th May 2007

Dear Sirs,

**Re: Application for Consent to Display Advertisement
Installation of 2no. internally illuminated projecting signs at
Energie 47-49 Neal Street, London WC2H 9PZ, to replace 2no. existing non
illuminated projecting signs.**

Please find enclosed 4no. copies of a completed application form together with a cheque for the sum of £75 (Seventy Five Pounds) to cover the application fee.

Also included are 4no. sets of elevation drawings scaled 1:50 at A2 detailing the proposed signage at the above property.

Drawings Numbers: ENERGIE_NEAL_PP_E1_A, Ordnance Survey Map
(site shown in red)

Our proposal is to replace the 2no. existing projecting signs with same size internally illuminated projecting signs.
The back panel of the sign will be non illuminated with individual internally illuminated letter logo, see plans for details.

I hope this allows you to validate and process the application and I look forward to receiving your initial comments.

In the meantime if you have any queries or require further information please do not hesitate to contact me.

Yours Sincerely

Kim Norton
