**Dear.** Joe

Thank you for the letter dated 27.April.2007 regarding incomplete application for the address:

Rear of 16  
Great James Street  
London  
WC1N 3DP

As for my last letter I have explain the change of use from car park to Car wash and the shed which I have mention it is a simple shed similar to one on the photo from B&C.

Shed it is wooden and it is not permanent structure, it is a simple box after all, but bar in mined it is a car wash and they need mach space as possible.  
Shed will be used for tea breaks and lunch by employees and for storing bits and peaces.

If you need any other information that I have overlooked or it is missing regarding the above mention application please do contact me.
