Dear. Jenny

Thank you for your letter dated 28 February 2007, I have read with up most inters and understood required information.

The structure of machinery it is mobile stemmers and mobile hovers and they will bee 2 sets, one set for work and second set as backup in case of any machine breaks down.

The site will have one small shed as office and storage, this shad will be use by staff as well for breaks and lunch.

As for plans showing exact location where cars would be washed please find attached plan to this letter, and as you will see the empty place stated as **Car Park** at left hand corner of a plan.

The hours of operation will be from 09:00 am to 19:00 pm with marginal 30min at closing time.

Access to a Car Wash it is wide and open for any type of vehicles but restricted to buses and heavy goods vehicles.

On the site will not be used any other machinery except as seated above.

Dear Jenny if you need more information please to not hesitate to contact me.

Best regards,

Tony
