Dear Sirs

8 Southampton Place, London - Application for Listed Building Consent

Further to our recent enquiries and discussions with Ms Elaine Quigley and Ms Ellen Barnes of your office we are submitting as agreed an Application for Listed Building Consent with respect to proposed underpinning works to the side wall of No 8 Southampton Place.

This property adjoins the redevelopment site referred to as 125 High Holborn [One Southampton Row] Planning Reference No. 2005/1082/P and Conservation Area Consent Reference No. 20051083/C.

As part of the approved redevelopment work the property which immediately adjoins No 8 Southampton Place [No 9 Southampton Place] is being demolished. The redevelopment of the site involves the reconstruction of the existing basement with a founding structure requiring the underpinning of the existing footings to the wall of 8 Southampton Place.

Together with the completed application forms we are submitting a method statement and drawings which illustrate the scope of proposed works and demonstrate that the integrity of the wall to No 8 will be ensured at all times.

As explained previously redevelopment of the adjoining site is progressing and proposed underpinning works are expected to progress in the near future. The Main Contractor Bovis Lend Lease will be in contact with your office to advise when the works are to be carried out.
