The Council has considered your application and decided to grant permission subject to the following condition(s):

Condition(s) and Reason(s):

- 1 The development hereby permitted must be begun not later than the end of three years from the date of this permission.

Reason: In order to comply with the provisions of Section 91 of the Town and Country Planning Act 1990 (as amended).

- 2 No development of the building extension, decking area or associated foundation works shall take place until a plan and method statement with associated arboricultural report conforming to BS:5837 (2005) that indicates full details of all proposed foundation works has been submitted to, and approved in writing by, the Local Planning Authority. All foundation works shall be carried out in accordance with the approved details.

Reason: To ensure that the Council may be satisfied that the development will not have an adverse effect on existing trees and in order to maintain the character and amenities of the area in accordance with the requirements of policies N8 of the London Borough of Camden Replacement Unitary Development Plan 2006.

- 3 No development shall take place until:
 - a) The applicant has submitted a programme of ground investigation for the presence of soil and groundwater contamination and landfill gas for approval by the Council; and
 - b) The investigation has been carried out in accordance with the approved details and the results and remediation measures (if necessary) have been submitted to and approved by the Council. All approved remediation measures shall be implemented strictly in accordance with the approved details.

Reason: To protect future occupiers of the development from the possible presence of ground contamination arising in connection with the previous industrial/storage use of the site in accordance with policy SD10B of the London Borough of Camden Replacement Unitary Development Plan 2006.

Informative(s):

- 1 Your proposals may be subject to control under the Building Regulations and/or the London Buildings Acts which cover aspects including fire and emergency escape, access and facilities for people with disabilities and sound insulation between dwellings. You are advised to consult the Council's Building Control Service, Camden Town Hall, Argyle Street WC1H 8EQ, (tel: 020-7974 6941).
- 2 Noise from demolition and construction works is subject to control under the Control of Pollution Act 1974. You must carry out any building works that can be heard at the boundary of the site only between 08.00 and 18.00 hours Monday to Friday and 08.00 to 13.00 on Saturday and not at all on Sundays and Public Holidays. You are advised to consult the Council's Environmental Health Service, Camden Town Hall, Argyle Street, WC1H 8EQ (Tel. No. 020 7974 2090 or by email env.health@camden.gov.uk or on the website www.camden.gov.uk/pollution) or seek prior approval under Section 61 of the Act if you anticipate any difficulty in carrying out construction other than within the hours stated above.

3 Reasons for granting permission.

The proposed development is in general accordance with the policy requirements of the London Borough of Camden Replacement Unitary Development Plan 2006, with particular regard to policies SD6, B1, B3, B7, N2, N8c and C4b. For a more detailed understanding of the reasons for the granting of this planning permission, please refer to the officers report.
