BT FRAMEWORK AGREEMENT NO. 4

**123 JUDD STREET
LONDON WC1H 9NP**

OPENREACH HEADQUARTERS

DESIGN AND ACCESS STATEMENT

The application relates to alterations to the external facades including the removal of window glazing to install intake and extract louvres, removal of louvres behind existing windows and glazing made good. Installation of toilet extract louvres within window frames and facades on the Ground Floor and 3rd Floor levels of the building.

The plant intake and extract louvres are to be fitted behind the de-glazed window frames to limit the effect on the elevations.

The proposals have no affect on access to the site or building.
