Dear Sir/Madam

RE: PLANNING APPLICATION
58 Fairhazel Gardens NW6 3SL

Please find enclosed 3 copies of the Planning Application Form for 58 Fairhazel Gardens NW63SL, duly signed and completed together with 3 copies of the relevant location plan at a scale of 1:1250 and 3 sets of drawings as follows;

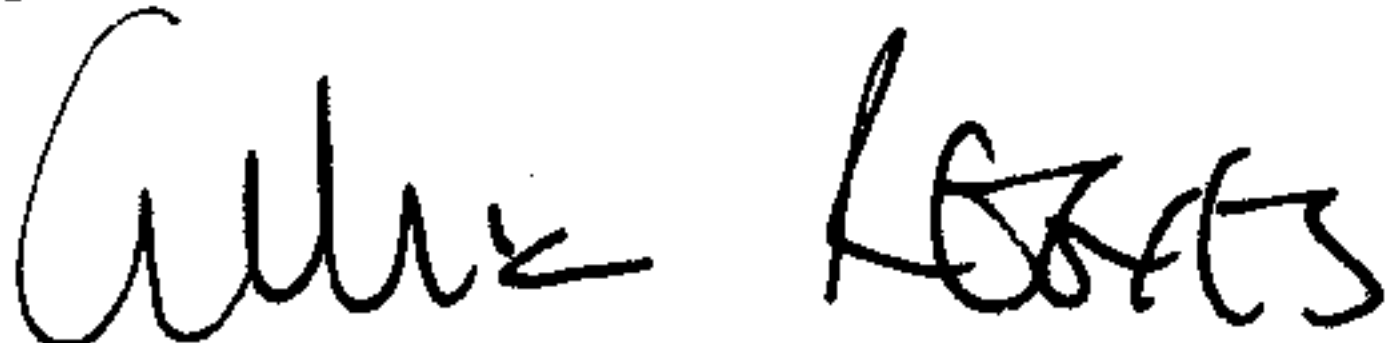

No. D006.05 Existing Rear Elevation
No. D006.15 Proposed Rear Elevation

58 Fairhazel Gardens has recently received planning approval to convert from two apartments into a single family dwelling and works are well underway to this end. We are now seeking permission to alter 2no. rear ground floor existing sash windows into a single opening as French doors and have recently received correspondence from you regarding this (please see attached copy letter ref: CA\2007\ENQ\1431).

Whilst we understand the proposal would fall under permitted development once the single family dwelling permission be fully implemented, our client wishes to carry out these works in sequence with the conversion works and therefore we are submitting the proposal as a full planning application.

Please do not hesitate to contact me should you have any queries or require any further information to support this application.

Yours faithfully,

Gillian Reeves
