Dear Sirs,

**Development at 2-20 Winchester Road, London NW3**

We wish to advise you that we have acquired the above site with the view to re-develop the land in accordance with the residential scheme granted planning permission in June 2006 (applic ref 2005/5580/P).

We enclose therefore an application to erect our marketing advertisements.

We propose to mount the advertisements at high level on the existing building.

The advertisements will remain in place until such time as the existing building is demolished to make way for the re-development; we envisage this period to be no longer than 12 months hence that period has been stated on the application form.

We trust you will find the application satisfactory and look forward to receiving your approval.

Please do not hesitate to call me should you wish to discuss this project.

Yours sincerely

Lloyd Adams
