UK

RECEIVED
20 MAR 2007

18th January 2006

Dear Mr Pawson

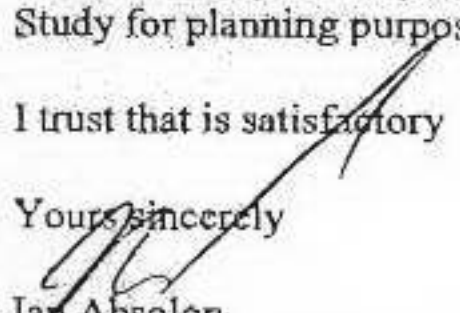

American Church – Whitfield St

Following your inquiry I confirm we have undertaken a rights of light study for the above development.

In undertaking this study we noted that the scheme does not affect any residential windows in the locality and therefore we have not undertaken a Sunlight and Daylight Study for planning purposes

I trust that is satisfactory

Yours sincerely

Ian Absolom
