

Design and Access Statement

Client: Mr & Mrs Chambers

Address: 4 Lambolle Road, London NW3 4HP

Process

The play equipment has been designed specifically to enhance its environment, to be in scale with its surroundings and the use materials which will complement the immediate built environment.

Use

To be used for children's play activities

Appearance

The structure will be constructed from Iroko timber with a straw thatching for the playhouse roof

Access

Access to the site is pedestrian only. It is not envisaged that anyone other than the applicants will require access to site.

Landscaping

The area around the playhouse will be planted with *Fagus sylvatica* and Bamboo hedging
