Dear Mr Butcher

60 Huntley Street London WC1E 6DD
Extension Of Planning For Change of Use

Please find enclosed 4 sets of plans, duly completed planning application form and cheque in sum of £135 for planning fees.

I refer to your recent letter concerning our breach of condition to the planning consent to the temporary change of use of the above premises.

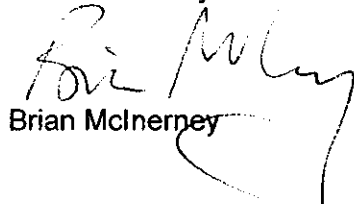

As you are aware the application relates to accommodation for London Borough of Camden social workers, who were displaced as a consequence to the enabling works for phase one of the new hospital.

They were originally based in the Obstetric Hospital in Huntley Street and No 70 Huntley was the only suitable accommodation we could find bearing in mind the space requirement, patient confidentiality, security and close proximity to the new hospital, the EGA and Obstetric Hospital.

Phase two of the new hospital has commenced and is due for completion July 08 and it will take approximately 12 months to commission phase two and refurbish the Social Workers new accommodation, so we are requesting an extension until July 2009.

Thank you for your assistance in this matter.

Yours Sincerely

Brian McInerney

UCL Hospitals is an NHS Trust incorporating the Eastman Dental Hospital, Elizabeth Garrett Anderson & Obstetric Hospital, The Heart Hospital, Hospital for Tropical Diseases, The Middlesex Hospital, National Hospital for Neurology & Neurosurgery, The Royal London Homoeopathic Hospital and University College Hospital.
