**29 Jan.2007**

**Dear Sirs,**

**Application for minor amendment to Planning Consent.  
Application Number 2005/1554  
Property 7 Perrins Lane. London NW3 1QY**

**I write to request an amendment to the consent being the replacement of the Obscured double glazed window edged in red on the attached extract plan with plain glass bricks.**

**This request arises because ,although building regulation consent was granted for an opening window at this point, it has now transpired that the window is in breach of the building regulations relating to protected areas. These require that the window should be removed so that there is no opener and that fire resistant bricks to meet the regulations are installed.**

**The window is not fronting a public highway but faces a private pedestrian way and the rear of Number 1 Perrins Lane .**

**Please advise if any further information is required for this application to be considered.**

**Yours faithfully,**

**M.A.Mills**

Dear Sir or Madam,

Town and Country Planning Act 1990 (as amended)  
**RESPONSE TO ENQUIRY, REFERENCE CA/2007/ENQ/14029**  
**7 Perrin's Lane NW3**

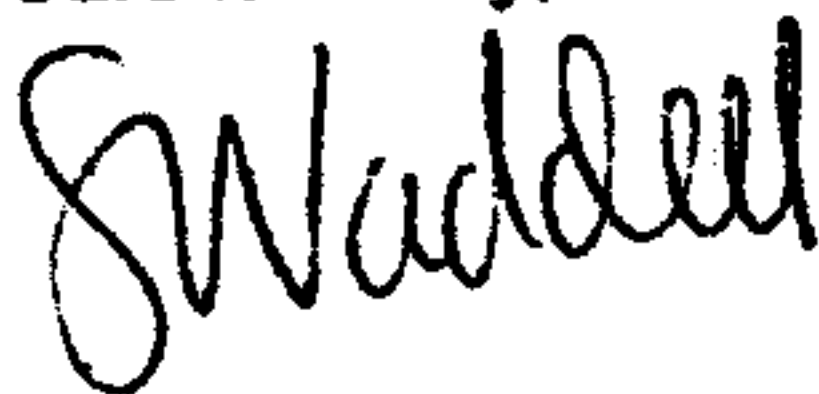

Thank you for your recent enquiry regarding an amendment to the scheme approved 10<sup>th</sup> June 2005 [Ref: 2005/1554/P] for the erection of a second floor mono-pitched roof extension with front obscure glazed dormer window and 2 x sets of French doors with railings to the rear and the insertion of a new front obscure glazed window at first floor level.

I can confirm that, in my opinion, the replacement of the obscure glazed window at first floor level on the front elevation would not materially affect the appearance of the building, and consequently further planning permission would not be required.

Please note that the information contained in this letter represents an officer's opinion and is without prejudice to further consideration of this matter by the Development Control Section or to the Council's formal decision.

If you would like a formal decision to be issued, an application would need to be made for a Certificate of Proposed Lawful Development. If you wish to lodge an application, the standard application forms are available on the Council's web site ([www.camden.gov.uk/planning](http://www.camden.gov.uk/planning)), together with guidance notes on completing the forms and the relevant fee that is required. An application can be made on-line. Application forms are also available from the Department's One Stop Reception (Tel: 020-7974-5611).

Yours faithfully,

**Sheri Waddell**
