Dear Sirs,

RE: Star Wharf Planning Submission

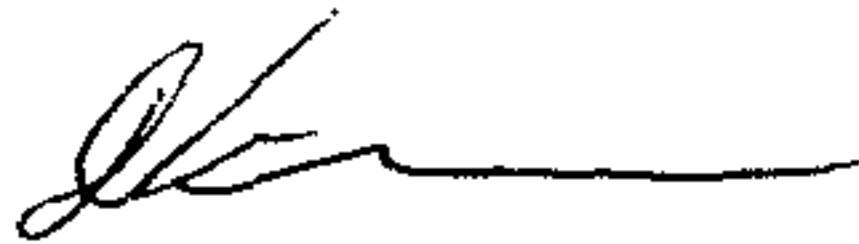

Please find CD enclosed containing 'Design and Planning Statement' and '10934_Amended Prop_0207 – schedule of changes' in PDF format as requested.

Additionally, please find enclosed drawing '10934_90_01-D' which demonstrates how intent to achieve secure by design requirement. Please refer below.

- A 1800mm high fence is to run the entire length of blocks A & B, therefore obstructing unwanted access.
- The development is fully landscaped limiting access to non residents.
- Security and safety is achieved also by the provision of adequate lighting, focusing on the open spaces.

I hope the information included is satisfactory and will assist greatly to a positive conclusion in the very near future.

Yours faithfully,

Daniel Veivers
